

## **BEHAVIORAL HEALTH CHOICES**

### **Information and Consent for Treatment**

We are pleased that you have selected Behavioral Health Choices. This document is designed to ensure that you understand our professional relationship with you.

#### I. Client Agreement

All the clinicians at Behavioral Health Choices are professionally trained, experienced and licensed by their professional regulatory boards. The model of treatment typically involves weekly psychotherapy, and less frequent medication management visits. Some clients need only a few sessions to achieve their goals, while others may require longer periods of treatment based on complexity and severity of problems.

Although your sessions may be very intense and psychologically intimate, it is important for you to realize that it is a professional relationship rather than a social one. Please do not invite your therapist to social gatherings, offer gifts, or ask them to relate to you in any way other than in the professional context of your counseling sessions. We will keep confidential anything that you say to your counseling with the following exceptions: (1) you direct us to tell someone else, (2) we determine that you are a danger to yourself or others, or (3) we are ordered by a court to disclose information. We are also mandated to report suspected child abuse.

By signing this form, you are consenting to have your therapist discuss your case from time to time with your psychiatrist for collaboration and consultation.

If at any time for any reason you are dissatisfied with our services, please let your therapist know. If you are not able to resolve your concerns with your therapist, please contact Jutta Vogt, MD, practice owner and Director.

Sessions are approximately 45 minutes in duration.

Therapy/treatment can be terminated by both the client or the clinician/psychiatrist under the following circumstances: 1) If either the client or the clinician/psychiatrist believes therapy/treatment is not being helpful to the client; 2) If the client is not complying with those elements of therapy/treatment essential for progress; 3) If the client's behavior or the behavior of someone in a relationship with the client is harmful or potentially harmful to other clients or the clinician/psychiatrist.

#### II. Legal Issues

If you are in the midst of any type of legal issue such as litigation, a dispute with your employer, separation or divorce, please inform your therapist immediately. Please be aware that in custody cases, we typically need signed permission from both parents, and that medical records are frequently subpoenaed when litigation is involved. Authorizations to release information regarding legal matters must be on Behavioral Health Choices letterhead. Please remember that Behavioral Health Choices has no control of, or responsibility for how information is handled once it is released to third parties. **If you are using your insurance, and**

**that insurance provider changes, or your card numbers or co-pay changes, please let us know.**

III. Cancellation/Office Hours

In the event that you will not be able to keep an appointment, you must notify us 48 hours in advance for an initial evaluation and 24 hours for a follow up appointment. If we do not receive such advance notice, you will be responsible for paying a \$50 cancellation fee for a follow up appointment and \$170 for an initial evaluation. Our offices are open during regular business hours.

IV. Emergencies

Behavioral Health Choices is an outpatient practice. It is the responsibility of the client to discuss expectations of after-hours care with the therapist upon intake so that, if necessary, an appropriate referral can be made. In the case of an emergency, when a client fears harm to him/herself or another, please dial 911 or go to your nearest emergency room.

V. Social Networking

It is the policy of Behavioral Health Choices that employees do not accept requests for friendship, follows or connections from clients or solicit themselves to clients as friends on social networking sites such as Facebook, Twitter, and other similar sites. This applies to non-active and active clients for a minimum of two years after discharge.
